To Whom It May Concern,

I am writing to request your support for an upcoming charity event organized by the Newport Beach Firefighters Association. Our event, Kokua Christmas, is scheduled to take place on December 20, 2023, and it promises to be a wonderful opportunity to make a positive impact on the community of Lahaina, Maui, and its First Responders.

The Hawaiian word "Kokua" means "help." Its deeper meaning, however, is to extend help to others with no intent of personal gain. Kokua Christmas is aimed at raising funds for the Maui Wildfire Relief Fund. 100% of the donations will go directly to the 17 Hawaiian Firefighters who have been injured or lost their homes in the wildfire. We believe that by coming together as a community, we can make a positive impact for those who risked their own lives and sacrificed their own homes while protecting others.

To make this event a success, we are seeking contributions from generous individuals and organizations like yours. Here are a few ways you can support us:

1. Make a financial contribution in any amount that fits your budget.
2. Donate goods, services, or products that can be auctioned or used as prizes during the event.
3. Share information about our event, encouraging others to join in our mission.

If you have any questions or would like to discuss your contribution further, please do not hesitate to contact me at (714) 614-5803 or nbfatreasurer@gmail.com.

Sincerely,

A handwritten signature in black ink, appearing to be "Adam Novak", written over a white background.
